DESCRIPTION: The Snub Winger is the ultimate summer fun shortboard. The plan shape features a full outline winger swallow tail with a shallow single to double barrel concave bottom shape and relatively flat rocker curve. The board is fast, loose and has a real 'skatey' feel. The Snub Winger is a great paddler for its shorter size and is a perfect performance surfboard for smaller summer fun surf.

All Hammersurf surfboards are made with only the highest quality resin, fiberglass, and foam available. All boards are handmade in the Pacific Northwest USA by Cascade Performance Fiberglass, building fine surfboards since 1972. WWW.HAMMERSURF.COM (541 478-3441)
